### AREAS OF PRACTICE

---

Dag Thomas Hansson is an experienced finance lawyer and assists Kluge's clients in negotiating and preparing documentation in connection with a wide range of financing solutions. He has particular expertise in acquisition finance representing investors, borrowers and lenders. In recent years, Hansson has assisted a number of direct lenders with financing of acquisitions in Norway. He has also worked on several project finance deals in the Norwegian market including in connection with infrastructure development and wind farm project development.

### RANKINGS

---

Dag Thomas Hansson has, for several years, been recognized in the Norwegian banking and finance market in both Chambers and Legal 500.

*"Dag Thomas Hansson is recognised for his solid corporate and acquisition financing assistance, often in the energy sector. One client describes him as "very constructive" adding that "when you discuss a case with him, he can always lay out alternatives." - Chambers Global 2019*
