AREAS OF PRACTICE

Ingerid Jacobsen is affiliated with Kluge`s Energy Department. She works with petroleum law, including transactions and company law, and has experience with advisory services and dispute resolution in the area of labour law.

Jacobsen has a broad experience within general contract law, in particular within petroleum law and company law. She has assisted on several transactions on the Norwegian continental shelf and company transactions.

Jacobsen assists clients with advices in all areas of employment law, including dismissals, employment contracts, reorganization of companies, down-sizing processes and transfer of undertakings.

Jacobsen wrote her master`s theses within labour law regarding the balancing of interests under the Norwegian Working Environment Act section 15-11 (2) when the employer requests the employee to leave the post, focusing on situations where the dismissal is based on circumstances relating to the employer. Further, she specialized in mediation as part of her master`s degree.
