AREAS OF PRACTICE

Jone Stakkestad has broad experience within the oil and gas industry, and advises clients in petroleum, company and contract law issues.

In particular, his experience include work related to regulatory law, the joint operating agreement applicable to the Norwegian continental shelf, service and construction contracts, tie-in agreements, including authority processes related to the terms of such, and sales agreements for oil and gas. Stakkestad is also experienced with negotiations and following-up of rig contracts and business development projects.

Several years of experience as legal counsel in Wintershall Norge gives Stakkestad trade knowledge and a practical approach to the benefit of our clients.
