### AREAS OF PRACTICE

---

Per Sigvald Wang assists both public and private clients in major, complex disputes. He has substantial experience within dispute resolution and litigation, and is admitted to the Supreme Court. He has as an attorney-at-law in the Office of the Attorney General (Civil Affairs), argued a wide range of civil cases before all instances of courts, including the Supreme Court, and has contributed in mediations as well as negotiations out of courts.

Wang possesses extensive experience and in-depth knowledge within contract law. He has at the Office of the Attorney General (Civil Affairs), litigated, negotiated and advised in various contract law cases; including sale and purchase of goods, service concession and construction contracts. As a deputy judge he has managed diverse civil law cases, including contract disputes.

As legal adviser in the Ministry of Justice, Legislation Department, Wang was responsible for drafting legislation and providing advice on the laws of contract and tort. He has international experience from representing Norway in expert committees of EFTA, EU-Commission, OECD and UNCITRAL.
