AREAS OF PRACTICE

Steffen Asmundsson has extensive experience with litigation, dispute resolution, negotiations and counselling. He frequently litigates for Norwegian courts and in arbitration and has a broad background from private practice, the Solicitor General and as in-house counsel.

As a litigation lawyer Asmundsson has conducted more than 100 cases with the Solicitor General with emphasis on public law and contract law, and he was admitted to the bar at the Supreme Court in 2007.

Asmundsson assists both public and private clients with dispute resolution and advisory services. He has broad experience with emphasis on contract law in connection with real estate, technology, ICT and various service contracts, as well as patent law, tort law and public law.

He has also been used as arbitrator on several occasions.
